The REALTORS Association of York and Adams Counties (RAYAC) Foundation Inc. has funds available to award to housing-related charities in both York and Adams counties. All of our funds have been raised through member and community participation in Foundation sponsored charitable events and corporate and personal donations.

Intent: We intend our funding to be used for multiple small grants to provide support for both smaller efforts and for portions of larger efforts. We intend to support both existing and new projects. In all cases, priority will be given to capital expenses as we are most interested in supporting longer-term efforts in housing related projects. We also expect, in most or perhaps all cases, to provide only a portion of the total funds required for the total project. We also have a discretionary spending fund for emergency situations that may arise throughout the year.

Application: The application form is currently on our website- www.rayac.com (click on Charitable Foundation and click on the Microsoft Word application link below the Foundation Board of Directors Names). **Applications must include an itemized budget so that we may consider funding a portion of the total project funds required, based on overall need and our ability to fund.**

Submit your request via mail or email **no later than October 31,**
