SCHOOL POLICIES AND PROCEDURES

GENERAL SCHOOL AND CONTINUING EDUCATION POLICIES

School Director and School Staff

The School Director is the Association Executive of RAYAC. The Director of Professional Development reports to the School Director and is responsible for overall school administration and will serve as School Director in the Association Executive's absence.

Instructor

Instructor Selection: Instructors will be chosen by the Director of Professional Development in conjunction with the Education Committee. Preferred instructors will hold a broker or associate broker real estate license or similar credentials in their area of expertise and have at least five years of experience. A bio or resume must be kept on file for all School instructors.

Instructors are paid upon conclusion of each class they teach based on the contracted pay schedule.

Instructors are forbidden from recruiting or promoting their business or personal services or products.

Payment and Refunds

At the time a RAYAC member registers for a class, he assumes payment responsibility for that class. Tuition must be paid in full prior to the start of a class. Payment may be made by cash, check, money order or credit card (Visa/Mastercard/Discover/American Express).

Tuition payments are refundable if 48 hour cancellation notice is given. If a student leaves after a class begins, no portion of tuition is refunded. Exceptions due to hardship/emergency may be granted by the School Director.

Attendance

All classes begin promptly when scheduled. In compliance with Pennsylvania Real Estate Commission Regulation § 35.358(a)(3), admission to class will cease 15 minutes after the scheduled start. Students leaving the classroom except during designated breaks or for emergencies are subject to loss of educational credit. Excessive abuse of this policy may result in dismissal from class without any financial or educational credit. Partial credits are not possible and full credits are earned for attendance of the entire class day regardless of credit hours granted.

Class Size

A maximum class size is established for all courses. Class size is determined by the facility resources and course design—"over booking" is not possible. You are encouraged to register as soon as possible to assure a space in the course(s) you want. If a class is full, you may contact RAYAC to be put on a waitlist, but this does not guarantee you a space in the class. A staff member at RAYAC will contact you should a space become available.

Weather Cancellation Policy

All morning, afternoon, evening and full-day classes will begin at the regularly scheduled time, unless otherwise determined by the School Director and/or the Director of Professional Development.

Cancellations will be determined by the School Director and/or Director of Professional Development, in conjunction with the class instructor.

Class cancellations will be made as early as possible, but will not be made prior to 24 hours before the start of a scheduled class. In the event that a class is cancelled, students will be notified by telephone and/or e-mail by the school staff. If you are in doubt of class being held, please check your e-mail for notification or call RAYAC to inquire.

RAYAC Cancellation

It is RAYAC's general policy to not cancel classes unless unforeseeable circumstances preventing the class to be held occur. In the event a class cancellation is warranted, each student will be notified by telephone or e-mail.

If RAYAC cancels a class, the full dollar amount of any tuition payment is refunded.

Transcripts

Real estate and/or appraiser transcript(s) will be issued to each student in attendance at the end of the class. The student is responsible for providing transcripts to the State Real Estate Commission and/or the State Board of Real Estate Appraisers should they be required to do so for auditing purposes.

Recruiting

No recruiting for employment opportunities for any real estate brokerage firm, franchise or network is allowed in any class. Any recruiting should be promptly reported to the School.

Electronic Devices

Students may use electronic devices during instructional time for the sole purpose of accessing online class materials. Failure to adhere to this policy could result in dismissal from class without financial or educational credit.

Harassment

It is the policy of the School that all students, instructors and employees shall have the opportunity to learn and work in an atmosphere and environment free from any form of harassment or retaliation based on race, color, religion, gender, sex, national origin, age, or disability. Such forms of harassment or retaliation constitute discrimination under various state and federal laws and will not be tolerated by the School.

Disruptive Behavior

Conduct by a student which interferes with the instructor's ability to teach or other students' ability to learn will not be tolerated and could result in dismissal from class without refund. Disruptive behavior includes actions that distract or detract from the learning environment.

Student Enrollment Agreement

A student enrollment agreement will be issued to each student enrolled in a course either electronically or by written notice. The agreement will contain the following:

- (1) Itemized tuition and other fees and the services and materials to be received from the School.

- (2) Statement of the School's policy regarding the refund of tuition and fees if the student were to withdraw or be dismissed or if the School were to terminate operations before the end of the academic year.
- (3) Contain the Bureau's toll-free telephone number, (800) 822-2113, that the student may call to obtain information about filing a complaint against the real estate education provider.

CODE OF ETHICS POLICIES

REALTOR® Members:

REALTOR® members can complete the Code of Ethics training with RAYAC, another local association, a state association of REALTORS®, the National Association of REALTORS®, or any other RAYAC approved instructional provider. It is the responsibility of the REALTOR® member to ensure the course provider is RAYAC approved and to provide accurate documentation of course completion to RAYAC in a timely manner in order for it to be properly documented with RAYAC and the National Association of REALTORS®.

Failure to satisfy the required periodic ethics training shall be considered a violation of a membership duty. Failure to meet the requirement will result in suspension of membership for the first two months (January and February) of the year following the end of any two (2)-year cycle or until the requirement is met, whichever occurs sooner. On March 1st of that year, the membership of a member who is still suspended as of that date will be automatically terminated.

Non-Association Instructional Providers:

Non-association instructional providers who wish to conduct Code of Ethics training must have the curriculum, which consists of a timed outline and any class materials, approved by the RAYAC Ethics Committee. Code of Ethics curriculum must closely follow the National Association of REALTORS® criteria and be submitted to RAYAC by August 31st of the new Code of Ethics cycle and every August 31st of the new cycle thereafter. After August 31st of the new cycle year, no new Code of Ethics courses will be accepted until the start of a new cycle.

The Ethics Committee will determine if the curriculum meets RAYAC and the National Association of REALTOR® standards. The non-association instructional provider will be notified of approval. If the course is denied, the provider will be notified of the changes that need to be made and allowed to resubmit one time for review. The revised curriculum must be submitted by October 31st of the new cycle year. Final decisions will be made by November 30th of the new cycle year.
