

Introducing Homeowner Notifications!

Listing agents can now proactively share information with their clients that will make the process of showing their home more efficient and convenient. Homeowners will benefit from knowing when a showing has begun and will be able to return home quicker when notified that the showing has ended.

To set up Homeowner Notifications, follow the below steps.
After logging into the [SentriLock Website](#) select **Properties** from the top menu bar.

The screenshot shows the top navigation bar of the SentriLock website. The 'Properties' menu item is highlighted. Below the navigation bar, there is a search field and a table of properties. A large blue arrow points to the 'Properties' menu item.

MLS Number	Location	Serial Number	Access Log	Listing Region	Listing Agent
