Northeastern has been a great school. They push the students and offer a great courses to help the students pursue their goals.

The people in school were nice and the teachers were also willing to help. The environment was not bad but there are obvious clichés. Almost everyone knows each other too.

During my four years at Northeastern Senior High School, I enjoyed all the sports opportunities they had to offer. I also found it very helpful that most teachers that I had were very approachable. Meaning that if I needed assistance with my school work, they took the time and effort to assist me in my studies. The only downside to going to a school that is in a rural community, there is nothing to do outside of the school.

Northeastern Senior High School provided me with an excellent and opportunistic Advanced Placement program, allowing me to expand on my desire to learn and push myself beyond my expectations. The teachers truly care about our education and about the way we carry ourselves as well-mannered members of society, and the board has offered us students so many different ways to express ourselves. We have over 30 clubs active at Northeastern, and quite the reputable sports program, our volleyball team being the Pennsylvania State Champions 6 years in a row. As a member of the tennis team, we have maintained our status as the #1 fall sport, thanks to the incredible coaching we have received provided by our school. I have been granted multiple outlets for self-expression and thanks to the administration's active participation in our community, Northeastern is a proud provider for many different elementary schools and charity foundations.

I am so glad I went to Northeastern, everyone there is so kind and caring towards the students, school, and community. Northeastern truly cares about and supports its students, families, and graduates, that is something that you do not find everywhere. I love Northeastern!
